

**USAID**  
FROM THE AMERICAN PEOPLE

# The Power of Partnership Starts Here.

WorkwithUSAID.gov is a partnership toolbox that contains insights and guidance to help organizations advance partner readiness to work with USAID.

The WorkwithUSAID.gov platform is free, interactive, and easy to navigate. Whether your organization is an established partner or just getting started, WorkwithUSAID.gov has valuable information and insights on improving partnership readiness and organizational sustainability.

## Take Action Today

### PREPARE

- **Partnership Checklist:** Review these six questions to learn more about working with USAID.
- **Pre-Engagement Assessment:** Take this 46-question assessment to determine if you are ready to work with USAID and receive customized resources to improve your readiness.

### LEARN

- **Library:** Search our curated resources to advance your knowledge.
- **Blog:** Learn tips from partners throughout the ecosystem and share your own story as a guest blog.

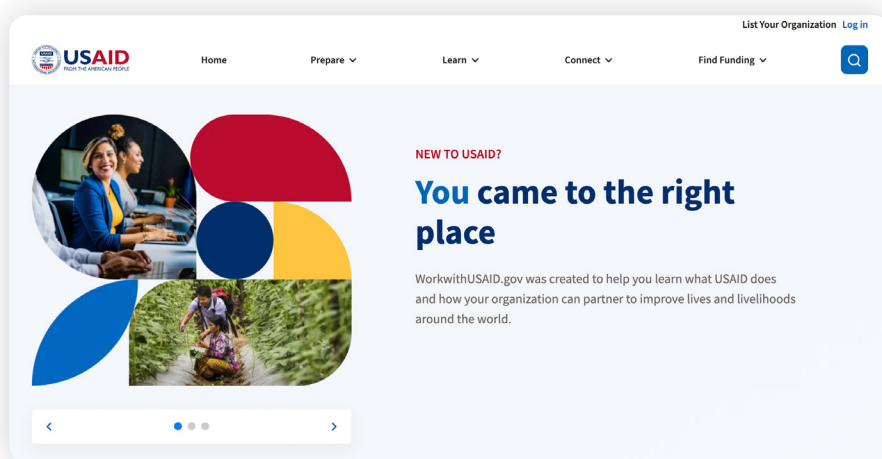

### CONNECT

- **Partner Directory:** Register your organization and search for partners by country and sector.
- **Events:** Grow your network and build capacity by attending upcoming partnership events.

### FIND FUNDING

- **Sub-Opportunities Portal:** Search for opportunities to work with organizations that are currently receiving USAID funding.

**You're creating a better world. WorkwithUSAID.gov is here to help.**

WorkwithUSAID.gov is a product of the Partnerships Incubator, a USAID-funded project of Kaizen, a Tetra Tech company. The Incubator works hand-in-hand with USAID to strengthen partner engagement, lower barriers to partner understanding, and improve the capacity of partners to work with USAID—all to multiply the Agency's development impact around the world.
